

**Welcome letter of
President of the Dental
Association of the Kyrgyz
Republic
Kalbaev A. A.**

Dear colleagues!

Welcome to the 6th International Specialized Exhibition of Dentistry Dental-Expo Kyrgyzstan, which will be held as part of the 16th International Congress and Exhibition Forum “Healthcare Week in the Kyrgyz Republic”.

The Dental Association of the Kyrgyz Republic is pleased to support the holding of the largest domestic exposition dedicated to the development of modern dentistry. After all, it is important for industry specialists to remain in the center of events, adopting world experience in providing services and introducing innovative developments.

The Dental-Expo Kyrgyzstan exhibition provides those who wish to get acquainted with modern scientific developments and appreciate the high quality of dental equipment, instruments and consumables exhibited in Bishkek. The wide geography of exhibitors, in its turn, contributes to the emergence of new companies in the Kyrgyz market and the expansion of the range of goods and services.

I am sure that the event will let guests and participants establish business contacts that expand mutually beneficial cooperation, exchange views, experience and practical best practices, as well as discuss topical issues with industry experts.

We wish you fruitful work and success in the implementation of professional ideas.

President,

Dental Association of the Kyrgyz Republic

Kalbaev Abibilla Akburaevich
